Dear Dale,

On behalf of the Board of Trustees and the patients we serve, thank you for your support of The Leukemia & Lymphoma Society. The gift of over \$6,000 (so far!) from the Ultimate Frisbee Tournament, that was held in June, is an incredible gesture and demonstrates your commitment to the goals and work of the Society. Thank you for all the time and effort that you and your fellow volunteers put into making the event a huge success.

Your financial support is vital to continue the work of The Society in our life-saving efforts to find a cure for leukemia, lymphoma, Hodgkin's disease and myeloma and improve the quality of life for our patients and their families. The contribution will be dedicated to research to find a cure so others will not have to deal with the pain and suffering that cancer brings to so many patients and families.

Again thank you. We appreciate your concern for all blood related cancer patients and look forward to the day when all of these cancers will be eradicated. If you have any questions or would like additional information about the Leukemia & Lymphoma Society and the services that we offer please feel free to contact us at (513) 361-2100. You can also obtain the most current information and resources on the Society's Web site, www.lls.org.

Sincerely,

Dawn Berryman
Donor Development Coordinator
